### Tatachikapika River Canoeing Adventures:

*Itineraries can be customized and developed based on group size, ages, interests, timing, etc.*

#### Advanced route C1/C3 - whitewater - strenuous - 5/6 portages daily

##### Day 1:

Arrive at Wawaitin Holiday Park 1:00PM. Meet your guide, welcome refreshments, orientation and registration, water safety, and head out into the wild. Relax, your here, light a camp fire!

##### Day 2:

After a hardy breakfast, depart with your guide for a 2 hour journey to Tatachikapika Lake where your adventure will begin. From here, all rivers flow North to the Arctic.

##### Day 3:

You are now paddling your way through Tatachikapika Lake Northbound to Tatachikapika River. After a shore lunch a visit to the fire tower before continuing North.

##### Day 4:

Local native Heritage is the day's theme while paddling beautiful Miskwamabi Lake. Perhaps pick some wild mushrooms and photograph the otters cracking clams on the shore.

##### Day 5:

Today is for Miskwamabi Lake. Northern Pike are abundant so catch a big one (20lbs.+)! There are also opportunities to view and photograph other wildlife such as the curious black bear.

##### Day 6:

Some quick portages and you are flowing North East towards the Mattagami River. Set up camp at near the last set of large rapids and with luck catch some trout for dinner, and dessert - 'bannock' anyone?

##### Day 7:

This morning, float on to the Mattagami River and paddle to visit a generating station before returning to park around noon. A 'Thanks for Coming' lunch will be served before departing at 1:00PM. \come see us again!
